PETITION: WHISTLER WATCH

Petition to keep Whistler's Village Forest from being cleared to make room for a *temporary* Celebration Plaza for the Vancouver 2010 Winter and Paralympic Games.

ADDRESSED TO: RESORT MUNICIPALITY of WHISTLER (RMOW)

Dear Mayor & Councillors:

- **Whereas** the RMOW is currently looking at removing all (or most) of the 4.5 acres of trees from Lot 1/9 by April 2008 in order to build a "temporary" Celebration Plaza for the Vancouver 2010 Winter Olympics.
- **Therefore,** I join with the Whistler Watch Committee and hundreds of other citizens in Whistler in demanding that the trees be kept, while an alternate location be found for the 2010 medals plaza (i.e. the Driving Range).
- **Therefore,** I join with other Whistler residents in demanding that the RMOW engage the community in meaningful discussions on the use of taxpayers' money (i.e. hotel tax) and look at long-term community alternatives for Lot 1/9.
- **Furthermore**, I demand that the RMOW be held accountable to the public's input.
